Dear Gleneayre Equestrian Program,

Congratulations on your organization's acceptance to the USEF Community Outreach Program! At US Equestrian, our goal is to bring the joy of horses to as many as possible. As a member of the selection committee, I can honestly say that it has been a pleasure getting to know more about your organization.

Gleneayre Equestrian Program can now be counted as one of the 40 Community Outreach Organizations within the USEF Community Outreach Program.

As a part of your selection, your organization's leadership and staff will all receive a FREE Subscriber membership. As a new member of the Community Outreach program, your participants and community can now become free fans of US Equestrian. As a fan, each will receive access to educational content from our Learning Center, digital copies of US Equestrian magazine, USEF Network live streams, and much more. Additionally, USEF Fans receive discounts on products and services through our MemberPerks program from many companies that support USEF, our members, and fans. Signing up your community is important because not only do they stay connected with USEF news and receive great benefits, but fan sign up is a key part of the Opportunity Fund grant process. (More to come on that later.)

In the coming weeks, your organization will be added to our directory of organizations that provide equine-based learning opportunities and support the positive impact horses can have within various local communities throughout the United States and Puerto Rico. Our USEF Membership team will also be following up with you on next steps.

Finally, thank you for all you do. You are bringing the joy of horses to people in your community and doing so in a way that impacts the lives of both the horses and the people you serve. I look forward to hearing more stories of your successes in the years to come.

Welcome to the USEF community!
